SUMMER ENDED WITH A BANG!

Many thanks to Parks and Recreation Division Director Cori Collins and staff from Park and Rec, Public Works, Police and Fire who contributed to the grand success of the City's Labor Day festivities and fireworks. A shout out as well to the Employees for Employees committee for their work on the staff cook-out and those who volunteered their time and talents to contribute to the event. With much appreciation to Mother Nature for keeping the seemingly omnipresent evening thunderstorm at bay...

GREG PAULEY NAMED NEW BUSINESS RELATIONS MANAGER

In what is being touted as the shortest retirement ever, it was announced at Tuesday's City Council meeting that Greg Pauley has been hired as the new Business Relations Manager for the City. This follows Greg's retirement from the Temple Terrace Police Department last Friday after 30 years of service. For the past year, Greg also had filled the role of the City's Public Information Officer. Those duties now have been transferred to Laurie Hayes, who will retain her current title of Marketing and Communications Officer.

ANNEXATION MEETING

There will be a community meeting regarding annexation of properties into the City on Thursday, Sept. 20 from 6:30-8pm at Omar K. Lightfoot Recreation Center. The intent is to provide information about what annexation would mean and gather input from property owners and potential residents.

WHAT ARE WE MISSING?

Do you have news or announcements that you would like featured in the *Friday Report*? Is there a new employee in your department who you would like to introduce to the COTT staff? Send details, including a photo if applicable, to lhayes@templeterrace.com. We will do our best to include your contribution.
