## CRIME PREVENTION TIP OF THE WEEK:

Bike theft is a common crime in Temple Terrace. Here are a few tips to make sure your bike is locked up properly. Make sure you purchase a high quality lock, heavy duty U-locks, chains or cables are ideal. Make sure they are large enough to lock up both wheels. Make sure you always use a bike rack. If one is not available lock your bike to a solid, metal non-movable object, and double check that the bike is secure before leaving it alone. Make sure you secure the frame and wheels. Make sure the bike cannot simply be removed over the rack. Park your bike in a visible spot where it can be seen by others. With these simple tips you can help ensure your bike is not stolen.
