

## WEEK(S) IN REVIEW • APRIL 29 – MAY 12, 2019

*The 2018-'19 and 2019-'20 classes of the Mayor's Youth Leadership Council*

### MAYOR'S YOUTH LEADERSHIP COUNCIL CELEBRATES SUCCESSFUL YEAR

The Mayor's Youth Leadership Council celebrated the end of its inaugural year – and the selection of 7 new members who will join those returning to the Council (to replace the graduating seniors) – with a banquet at the Temple Terrace Golf and Country Club on April 30. The Council also used this opportunity to thank their generous sponsors, including CenterState Bank, Republic Bank, TECO Energy, Fuzzy's Taco Shop, Mission Hill Church, Caspers Company and Five Star Pizza. Sponsorship opportunities currently are available for the 2019-'20 class.

### HURRICANE SEASON IS LESS THAN A MONTH AWAY...

We are less than one month from the official start of Hurricane Season and the City already is starting to prepare. Essential staff - and really all staff are essential during an emergency situation - attended a briefing on May 1 with Temple Terrace Fire Department Chief Ian Kemp, our coordinator of Emergency Operations. Many thanks to City directors as well as Michael Ryan, manager of emergency planning with Hillsborough County, Florida Government and Alan Denham, regional manager, community relations, at TECO Energy for providing updates on their preparedness efforts. Are YOU ready?

### FALLEN OFFICERS HONORED

At last week's City Council meeting, Mayor Jurado presented Police Chief Kenneth Albano a proclamation recognizing National Police Week and honoring 158 officers nationwide who lost their lives in the line of duty during 2018.

### SUNSCREENS STATIONS INSTALLED AROUND THE CITY

Protect the skin you're in... AdventHealth Tampa has partnered with Parks & Rec to sponsor 20 locations around the City to access FREE sunscreen. Dispensers are packed with Coppertone SPF 30 and have been installed at Riverhills Park, the Dog Park, Ridgedale Sports Complex and other locations. Be safe in the sun!

### TT FIRE DEPT. SOUNDS THE ALARM ABOUT SMOKE DETECTORS

Hooray for the Temple Terrace Fire Dept., which partnered with American Red Cross of Central Florida to Sound the Alarm and install smoke detectors throughout the city. Approximately 60 smoke detectors were given to residents.

### TAKING ART TO THE STREETS

The Temple Terrace Arts Council is taking their message about the importance of public art to the streets. Literally. This Saturday (5/18), beginning at 10am, the Arts Council and City leadership along with resident volunteers will assist with our first intersection art project at the corner of Glen Ridge and Inverness Ave. The design, conceived by artist Ameena Khan, depicts the City's iconic Temple orange and pays homage to the beautiful vistas afforded by the Hillsborough River. Come out and help paint or just be a witness to this creative endeavor.

### CITY FEATURED ON CONGRESSMAN SPANO'S WEBSITE

A photo of the recently renovated boardwalk at the City's beautiful Riverhills Park is one of those featured in the banner of Congressman Ross Spano's website.

### PRINTING A PRINTER: JUST ANOTHER LIBRARY SERVICE

Did you know that you can request up to 4 hours of 3D printing a month, for free, at the library? One of our patrons took this to heart and over a period of months we printed parts for his personal 3D printer enabling him to get it up and running. He sent pics with the following message: "Another perfect print from the library. I greatly appreciate it and thought you'd like to know that after MONTHS of working on fixing it, I have finally repaired my printer to working order."

## HARD WORK OF TT GYMNASTICS TEAM PAYS OFF

Temple Terrace Gymnastics Team member Laila Schultz competed at the Region 8 XCEL Championships on May 5 in Hickory NC. Laila qualified to the Regional Meet at her State Meet. Only the top 72 of over 700 athletes qualified to the Regional Competition. At Regionals Laila placed 2nd on Beam scoring 9.725, 8th on Bars, 9th on Floor and 3rd All-Around in her age group. We are very proud of the hard work and dedication it took from the coaches and athletes to qualify to the Regional Championships. This is a huge accomplishment. We are excited to see what success the team has next season.

## LIGHTFOOT SENIORS VISIT TAMPA HISTORY MUSEUM

The Lightfoot Seniors took a trip downtown to the Tampa History Museum. The group spent several hours viewing the exhibits and learning about the History of Tampa and the surrounding area. Included in the trip was a nice lunch at the Columbia Restaurant located on site at the Museum.

## MOTHERS TOASTED WITH TEA

The annual Mother's Day Tea was held on Saturday at Omar K. Lightfoot Recreation Center. With the help of local favorites Pete and RePete, attendees made handmade bags, cards and butterfly bracelets for mom. They also stopped by the PamElla Photo Booth to capture the day. Fran Johns used her wonderful artistic talents for face painting. A huge thank you to the Women's Club for the cake and tasty sandwiches, chips and cookies!

## THANK YOU TO THE WATER DEPT.

The team at the Family Rec Complex would like to send a big thank you to the Water Dept. (John Demos, Brian McCoy, Christin Ferguson and Nick Martinez for installing the new backwash pipe (60 feet long) at the Family Recreation Complex Swimming Pool.

## EMPLOYEE SPOTLIGHT

### Lyn Boswell, Finance Director

- I grew up in Colorado Spring, CO.
- I have one grandchild who lives with me, four kids who live in Colorado and Western Kansas along with six other grandchildren.
- My dream vacation is in Spain on the beaches in the Mediterranean.
- I have worked for the City of Temple Terrace since March 2017.
- Before I came to work here, I worked In Iraq/Afghanistan as the lead Subcontractor first as Finance and Budgeting advising provincial governments, then to Monitoring and Evaluations Expert for Department of State programs from 2009-2016.
- If I could switch my job with anyone else in the City, I love my job... and I have no desire to switch with anyone, I can't even fathom. Plus, my head is already buried in my work and I don't know what others would be doing.
- One surprising fact about me that few people know is I was put on probation as a youth missionary in high school because I let the word "darn" slip out. It still slips out now and again!

## COUNCIL ACCEPTING APPLICATIONS FOR BOARD APPOINTMENTS
