## WEEK IN REVIEW • JUNE 24 -30, 2019

### POLICE NEWS: CHILL OUT!

The chill is on again this summer! Police officers in the City of Temple Terrace will be dispensing well-deserved Slurpee justice to approximately 200 good kids during the summer months and back-to-school season, courtesy of 7-Eleven, Inc. Since the 1990s, the company has sponsored its Operation Chill community service program, donating free Slurpee drink coupons to local police and sheriff's departments to distribute to children and youth caught being safe or doing good.

### GOING THE EXTRA MILE

Hooray for our newest officer, Officer Daniel, who assisted a motorist change her mangled tire after a traffic crash on Friday.

### HOLY SMOKES! 🚒

Thanks to a generous donation by the American Red Cross of Central Florida, the Temple Terrace Fire Department has smoke detectors available for City residents. For more information on smoke detectors or to schedule your installation, contact the Risk Reduction division of the Temple Terrace Fire Department office at 813.506.6690.

### BEYOND BOOKS

Bongo drums, a blender, a paper shredder, a DVD player, a hot glue gun, a food dehydrator, a croquet set and furniture pads and straps (pictured). What do these items have in common? All can be checked out from the Temple Terrace Public Library! Go to [www.hcplc.org](http://www.hcplc.org) and type in "Beyond Books Lending Library" to view the list of offerings and request the item you need/want. Btw, while at the Library, pick up a book or two!

### AT THE LIBRARY: ALIEN INVASION

The Temple Terrace Library was full of aliens on Thursday! Teens and teens designed and sewed their own alien softies at our teen craft night. All the crafts this summer complement the "Universe of Stories" summer reading theme.

### ROOM TO GROW

For some gardening inspiration, stop by and take a look at the hydroponics plants on top of the Seed Catalog. The dill has really taken off! You can check out up to four seed packets a month – yours to keep.

### GOT YOU COVERED

The City continues to receive positive press in local media outlets. Last Friday, the Tampa Bay Times ran a story and photos about the upgrades to the Family Recreation Complex. And print and broadcast channels are promoting the City of Temple Terrace July 4<sup>th</sup> festivities.

## HAPPY CAMPERS

Summer Campers at the Family Complex had the opportunity to learn about and hold reptiles during a visit from Reptile Discovery! The kids had close encounters with an alligator, crocodile, snakes, turtles, and more. Trips to Busch Gardens and Skyzone (think wall-to-wall-to-ceiling trampolines) make for a busy, fun, and educational week for the kids.

### TAKE A LOAD OFF

Many thanks to Tony's crew for installing new benches at Woodmont Park.

## ROD JURADO

The entire Temple Terrace family joins Mayor Mel Jurado in mourning the loss of her husband Rod. With his passing on Friday, Temple Terrace lost an engaged citizen, a business leader, an advocate for education and an enthusiastic cheerleader for all things Temple Terrace. A constant presence by the Mayor's side at City events, Rod Jurado will be sorely missed. Please come together to offer heartfelt condolences to Mel, their family and many friends during this very difficult time.

***Services for Rod Jurado will be held at 11am on Saturday, July 6 at Mission Hill Church, 10002 N. 56th St, Temple Terrace.***

## EMPLOYEE SPOTLIGHT

Tammie Harris, Assistant Director / Leisure Services / Library

- I grew up in Tampa and am a life-long resident of Hillsborough County.
- I have no children.
- My dream vacation is Japan – I've been 5 times, and it continues to be my dream vacation. They sell sushi in convenience stores!
- I have worked for the City of Temple Terrace since 2008.
- Before I came to work here, I worked at Hillsborough County Public Library (Brandon, Bloomingdale, New Tampa, Ruskin Libraries). I also worked a year or so at Godiva Chocolatier in the middle of all that. It was fun to dip strawberries in chocolate, but then they were sold at solid chocolate prices. Nothing is more profitable than chocolate-covered strawberries...

- If I could switch my job with anyone else in the City... Marketing & Public Relations is interesting, and I've always been curious about Community Development people- they are mysterious. I wish I knew more about what everyone does.
- One surprising fact about me that few people know is I have studied Japanese off and on since I was a senior in high school, but I'm still not very good at it. 高校から、時々日本語が勉強します。下手です。

All are invited to be a part of the July 4<sup>th</sup> parade! The City float will have beads, oranges – real ones and the squishy ones – and hand fans to toss to the crowd. It’s hot, but it’s fun and it’s a pretty cool view from the inside to see the faces of the kids watching. If you want to be a part of this 45 annual City of Temple Terrace tradition, contact Becky at rzarella@templeterrace.com for more info.

Then go home, rest up and be back in time for the 6pm festivities on the 1<sup>st</sup> fairway of the TT Golf & Country Club, culminating in fireworks at 9:15pm (weather permitting).
