### **PUBLIC WORKS DEBUTS NEW PROGRAM**

The Public Works Operations has added a small program to its operating structure. This will be utilized in all areas as it progresses. The program involves having the front line administrative staff head out on the field with the sanitation department, grounds, facilities and also fleet maintenance. One collection area and program at time will be explored by the staff so they can see first-hand what goes into the actual working of each service area.

As they handle numerous phone call assisting customers, staff and others, this program will help them gain a clear understanding of the entire process in each area. Knowledge of the inner workings will provide better levels of service and continuity in the PW Operations Department.

First up is Julie Vaccaro. Julie spent half a day riding along in the Roll-Off division. She was able to gain knowledge and insight on what it entails to service multiple waste accounts, both solid waste and construction.

Julie also worked a curbside recycle truck collecting green bins. Veteran driver/collector Clint Middleton showed her exactly what it takes to collect approximately 1050 residential and commercial customers in one day.

### **LIBRARY HAPPENINGS**

Celebrating Seuss - The Temple Terrace Junioresettes put on a super Dr. Seuss Party at the Library last week. Children and families enjoyed stories, crafts, games, and cupcakes during a whimsically fun time.

### **AEDs**

Having proven their life saving effectiveness during an emergency at the Family Recreation Center late last year, there now are two new AEDs at the Family Recreation Complex.

## A FOND FAREWELL

On Friday, the Temple Terrace Police Department and City staff and elected officials bid an emotional farewell to Sergeant Patricia Stanton. Patty retired today after more than 24 years of service to the City of Temple Terrace. From the touching tributes from friends and colleagues to tears shed by the same, it's obvious that she will be sorely missed both on a professional and personal level. Congratulations Patty!

## MOVIN' ON UP

Congrats to Sergeant Steven Valentine and Corporal Courtney Baldwin of the Temple Terrace Police Department. These distinguished officers were promoted in a ceremony at City Hall Friday morning. Thanks to both gentlemen for their service to this community and wishes for continued success.

## NAME THAT BOAT

The Temple Terrace Police Department's Marine Patrol Unit has a new 2019 19' Carolina Skiff! Before we put the boat into commission, we need to christen it with a name. The community is invited to submit suggestions that honor the City's history and its waterway. The individual who comes up with the winning name will be invited to attend the Christening Ceremony, which is scheduled for 10am on Feb. 17 at the Riverhills boat ramp. Ideas will be accepted through Feb. 12.

## MAKIN' A SPLASH

Congratulations to Team Velocity's Bella A. for making USA Swimming's 2019 18 & Under World 100 list! Bella achieved the #80 spot in the 200 Butterfly. The 18 & Under World 100 is a ranking of the best 18 & Under swimmers in The United States, according to their 18 & Under World Ranking. The goal of the program is to acknowledge the excellence achieved by the best 18 & Under athletes, their coaches who lead them and their clubs that support them.

## YOU'RE INVITED

The Richman Group Development Corp. has invited the public to join City staff, elected officials and other dignitaries in celebrating the groundbreaking for Waverly Terrace on Wednesday, Feb. 26 at 12:30pm. This luxury apartment community is the first of several projects that will breathe new life into the City's redevelopment area over the next two to three years.

Note that this event will take place on an active construction site. Please wear proper attire and footwear.

## YARD SALE BENEFITS RELAY FOR LIFE

The City's Relay for Life Fundraising efforts continued at a Yard Sale this past Saturday. Between booth fees and merchandise sales, Team Temple Terrace raised \$410. The event also included a creative memories booth that encouraged attendees – including our own City Manager - to make cards for our troops.
