**FOR IMMEDIATE RELEASE**

### **TEMPLE TERRACE TO HOST 9-11 MEMORIAL FIRE VEHICLE**

(TEMPLE TERRACE, FL. – 12/13/12) – A fire-rescue unit that was nearly destroyed when firefighters responded to the Sept. 11, 2001 terrorist attacks in New York City has been restored and is coming to Temple Terrace.

FDNY Rescue 5 is one of two fire-rescue vehicles restored as part of the *Remembrance Rescue Project*, a not-for-profit endeavor by firefighters to serve as an educational effort, especially for youngsters, and to memorialize the firefighters who lost their lives on 9-11 responding to the World Trade Center towers.

The Remembrance Rescue Project works with fire departments across the country to host the vehicles. It is completely operated by firefighters volunteering their time to keep the memory of that day alive and honor those who were killed. Donations, along with the sale of T-shirts and other items, are used to pay for maintenance, gas and travel costs.

FDNY Rescue 5 will be on display for public viewing on Tuesday, Dec. 18, 2012 from 4 p.m. to 6:30 p.m. at Temple Terrace City Hall, 11250 N. 56<sup>th</sup> St. Firefighters also expect to take the vehicle to several area schools while it is in town, Dec. 17-19.
