News

Good Morning! The Temple Terrace Police Department would like to encourage that you turn your porch lights on from 7pm to 9pm on October 6th in recognition of National Night Out 2020 to support police/community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. Our officers will be patrolling the neighborhoods and will turn on their patrol lights to thank you for your support. We also encourage you to start a neighborhood watch! All it takes is to have one meeting per year with your neighbors to be considered an active neighborhood watch group. We recommend you contact the [Temple Terrace Police Department Crime Prevention Unit](#) to help you get started. You can also use this [checklist](#) to help set up your neighborhood watch group. We appreciate the community's support and look forward to hopefully having a National Night Out event next year and collaborating with your neighborhood watch group!
