## **Notice Regarding Street Sweeping Services**

The City of Temple Terrace recently experienced a temporary interruption in street sweeping services. Contract issues have been resolved and USA Services has resumed street sweeping services as of Monday, January 12, 2015.

Due to the accumulation of leaf litter during the interruption in services, residents may notice that some leaf litter is left behind following the initial monthly pass of the street sweeper. USA Services plans to make multiple passes on roadways with heavy leaf litter in order to remove the accumulated debris.

Additionally, the street sweeping schedule has been revised. Beginning January 12, 2015 and continuing through September, monthly street sweeping will begin on the second Monday of the month and continue to the following Friday, or until the entire City has been swept.

If you need additional information or have questions about the City's street sweeping services, please call the Public Works Department at (813) 506-6570.
