Dear Resident of Temple Terrace

At the direction of Hillsborough County Affordable Housing Services, all housing rehabilitation activities have been assigned to a non-profit agency:

Florida Home Partnership
P.O. Box 760
Ruskin, FL 33575
Phone: (813) 672-7860
Contact person: Karina Gaytan, Housing Counselor
Karina Gaytan – (813) 672-7889, Ext #: 232

Florida Home Partnership, Inc., has been awarded the contract to manage the owner occupied Housing Rehabilitation Program for Hillsborough County. The program provides financial assistance to eligible homeowners to make needed repairs. The assistance is provided in the form of a low-interest loan or a grant depending on the cost of the rehabilitation. If the cost is less than \$15,000, the assistance is a grant.

This is not a home remodeling program, but is intended to help homeowners correct items that do not meet the Minimum Housing Standards of Hillsborough County. Florida Home Partnership will work with you to create construction specifications for contractors to bid on, and monitor the contractor's work on the home with the owner, as needed.

Please contact them for information, or an application. They have been in business for many years, and are familiar with the rules and regulations governing housing rehabilitation activities. They are waiting for your call or visit their website at www.flhome.org

Respectfully,

Dale Deleacaes
Division Chief of Risk Reduction
