2017 LIFEGUARD TRAINING COURSE

FEBRUARY COURSE: 4-DAY SCHEDULE

February 18-19 and February 25-26 – Sat. & Sun.

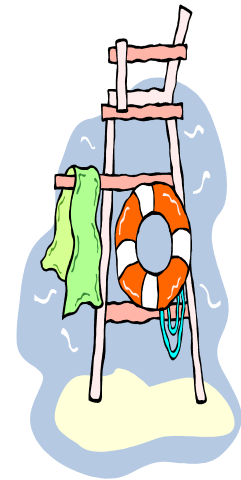

Times: Saturday: 10am to 5pm

Sunday: 10am to 6pm

Attendance at all classes in session is mandatory.

Cost: \$180 per participant includes training manual

Class size is limited. No refunds once session has begun.

Course Requirements:

- All candidates must be at least 15 years old by the last day of class.
- In order to qualify to take the course, participants must be able to complete the following: retrieve a 10 lb. brick from 12 ft. of water, swim 300 yards without stopping, and tread water for 2 minutes using only the legs.
- To successfully complete the course, participants must pass the skills and written tests for CPR and rescue. (Two chances to pass with 80% or higher)

What's next: After successful completion of the course, participants will receive certifications for Lifeguarding, Standard First Aid and CPR/AED for Lifeguards through the American Red Cross. Apply for a lifeguard position here (minimum age 16) or at other facilities that accept American Red Cross certifications. This certification is not for waterfront (beach) lifeguarding.

Note: No refunds will be given for incompleteness of the course or for not passing the course.
