FIRE DEPARTMENT ACHIEVES GOLD PLUS RECOGNITION FROM AHA

For the second year in a row, the Temple Terrace Fire Department has been given the Mission: Lifeline Gold Plus recognition!

Mission: Lifeline is a program designed to showcase EMS organizations across the nation for excellent STEMI care. Prehospital personnel are the first providers of care to patients suffering from cardiac emergencies. The role of EMS in the system-of-care for these patients is crucial and often sets the course for the patient's outcome.

The program takes the details of how we treat cardiac emergencies, compares it to the benchmarks set by the American Heart Association, and then celebrates the achievements and successes of our efforts. It also provides the feedback needed to understand how the system is working, and evaluates overall system performance. "Gold Plus" is the highest level of recognition.

Congratulations to all of our crews that have made this possible, and to our amazing Medical Director, Dr. Brooke Shepard!

THANKS TO THE MAN BEHIND THE CURTAIN...

The COVID-19 pandemic presents many challenges to maintaining the day to day operation of the City, not the least of which is conducting City Council meetings that allow business to continue while keeping the public, staff and elected officials safe.

Unlike larger municipalities, Temple Terrace relies on a consultant for our broadcast services. Fortunately Brian Hill of Hill Broadcasting Inc., was more than ready to roll up his sleeves and figure out a way to conduct remote meetings that allowed for input from all relevant parties, including residents who wished to be heard.

With a tangle of wire and assorted gizmos and gadgets, Brian made magic happen and so enabled the City to hold in-person, remote and/or virtual meetings with nary a glitch. We could not have accomplished this without his expertise.

At this evening's Council meeting (which included remote participation from Councilman Schisler), Brian came out from "behind the curtain" to accept thanks for his dedication and ingenuity.

WORKING TOGETHER

The Leisure's Department was proud to provide assistance to TTPD for training of their SWAT officers in the pool.

THE POWER OF LIBRARIES

The following was a message received by the Temple Terrace Public Library:

"Libraries have always been a favorite place of mine, but when my family and I reached hard times financially, libraries became a new kind of special place. It was nice that no matter what we couldn't afford, we could always afford a trip to the library. A place that was welcoming and fun for my son, a place that we could get away from troubles for a bit through the world of books and even research ways on how to make things better. The library will always hold a special place in my heart."

THE AUGUST 2020 EMPLOYEE OF THE MONTH: INSPECTOR CLETUS SQUIRES

"Inspector Squires has shown his professionalism during this pandemic. He has worked hard to educate Temple Terrace business owners during this difficult time about the importance of fire safety, all while being sympathetic to their financial hardships. Inspector Squires is always willing and able to step up and complete any task I ask of him. He was chosen by his fellow co-workers to be employee of the month. In my eyes all of my employees deserve City Hall Employee of the Month, but this month we recognize Inspector Squires."

Division Chief of Risk Reduction

TREE CITY

Many thanks to City Arborist Joe Ferris and his team of helpers for planting the 30 white Crape Myrtle trees along Whiteway Drive. The trees are scattered in the right-of-way between Lightfoot Center and the Rec Complex. Can't wait to them all in full bloom!

WHO IS THAT MASKED MAN (OR WOMAN)?

Take a cue from our Leisure Services staff – mask up! Face coverings continue to be available to residents at the Temple Terrace Public Library. And staff still can pick up face coverings on the second floor of City Hall outside of Greg's office.

They also are available to local businesses by emailing Business Relations Manager Greg Pauley at gpauley@templeterrace.com.
